- **We schedule intakes**
- **Competitive Compensation**
- **Easy to use mental health EHR**
- **We credential you**
- **We provide referrals**
- **Employer sponsored health insurance**
- **CEU reimbursements**
- **Work from home and in-person**
- **Pay for all staff meetings**
- **Employer sponsored staff outings**

Responsibilities:

- Circle of Wellness, LLC is currently looking for a Virginia licensed mental health professional or MSW licensed eligible who would like experience working at a private practice.
- One year of direct service experience with mental health services in an inpatient and/or outpatient health care setting.
- This is a hybrid position (telehealth and in-person).
- Our company promotes a positive work environment that includes supportive/open communication, team collaboration, and respect for your talents as a healer, so that clients can flourish.

- We offer the opportunity to work with children, families, couples, and adults with a variety of mental health diagnoses.
- Areas of experience with Depression/Anxiety/ADHD/PTSD will be helpful.
- Experience with children is a necessity. Consultation support will be provided.
- Self-motivated and independent individuals will thrive in this environment.
- Knowledgeable in areas of crisis intervention, mandate reporting, and early childhood development and family dynamics.

Principal Duties and Core Skills:

- Practice independently and provide professional and confidential psychotherapy services to help clients address issues including emotional/behavioral problems, environmental conditions, and social difficulties.
- Complete diagnostic assessment, including assessment of mental health concerns, treatment plans, trauma, anxiety and depression measures, and measures of progress.
- Establish and Maintain Interpersonal Relationships
- Develop constructive and cooperative working relationships with others and maintaining them over time.
- Timely complete written records for each patient including, but not limited to intake notes, progress notes, treatment plans, termination notes, contact notes, and other forms or documents which may be needed or required from time-to-time by COW or third parties in conjunction with the treatment of the patient within a timely fashion. Keep patient files accurate and up to date.
- Make Decisions and Solve Problems — Analyze information and evaluate results to choose the best solution.
- Conduct and regulate counseling services in a professional manner to maintain and increase the good will and reputation of COW.
- Be respectful of, cooperative, and collaborative with co-workers.
- Organize, Plan, and Prioritize Work — Develop specific goals and plans to prioritize, organize, and accomplish your work.
- Resolve Conflicts and Negotiate with Others — Handle complaints, settle disputes, and resolve grievances and conflicts, or otherwise negotiate with others
- Think Creatively — Develop, design, or create new applications, ideas, relationships, systems, or products, including artistic contributions.
- Communicate with Supervisors, Peers, and other staff

Qualifications:

- Evidence of clinical licensure in VA- PhD, PsyD, LCSW, LMFT or LPC
- Masters in Social Work (License eligible only)
- Must have at least 1 year of clinical experience working with children, youth, adults, and families with diverse clinical issues.
- Proficiency in computer skills, especially using Microsoft Office and electronic health records.

Job Types: Full-time, Part-time

Required education:

- Master's or Doctorate
